Board of Directors' report

Dear Shareholder,

The Board of Directors of NEW MILLENNIUM SIF-SICAV (hereafter the "Company") takes pleasure in presenting its annual report together with the annual accounts of the Company for its financial year ended on 31 December 2020.

..*

1. CORPORATE GOVERNANCE

The Company

The Company has been created on the 12th of September, 2007, as a specialised investment fund ("SIF") under the Luxembourg Law of 13 February 2007 relating to Specialised Investment Fund, as amended, (the "SIF Law") and has adopted the form of société d'investissement à capital variable ("SICAV").

The Company has performed a self-assessment and has determined that it qualifies as an Alternative Investment Fund ("AIF"), in accordance with the meaning of the law of the Grand Duchy of Luxembourg dated 12 July 2013 on Alternative Investment Funds Managers, as may be amended from time to time and as supplemented by the EU Commission Delegated Regulation of 19 December 2012 (the "AIFM Law").

The Company was an internally managed AIF benefiting from the de minimis rule as per article 3 (2) of the AIFM. For the purpose of the AIFM Law the Fund has nominated NATAM MANAGEMENT COMPANY S.A. to act as the Fund's alternative investment fund manager ("NATAM" or the "AIFM").

The Company has been set up as a "multiple compartment investment" and its board of directors (the "Board of Directors of the Fund") will have the possibility to create additional Sub-Funds, in accordance with the provisions of the Law and the Articles.

The rules of conduct

In performing its activity NATAM complies, at all times, with the rules of conduct set in the AIFM Law such as: to act honestly and fairly in conducting its business activities in the best interest of the clients ant the integrity of the market; to act with due skill, care and diligence, to have and efficiently employ resources and procedures that are necessary for the proper performance of the business activities; to try to avoid conflict of interest and when they cannot be avoided, to ensure that the clients are fairly treated and to comply with all the regulatory requirements.

In addition NATAM, as part of the Banca Finnat Group, has adopted the Banca Finnat Ethical Code, which applies to all directors, employees and collaborators of the group and it has also adopted the ALFI Code of Conduct, to set a framework of high-level principles and best practice recommendations for the governance of the Company.

The Board of Directors' composition

The annual general meeting of the Company held on 2020 has re-elected the 3 board members (Mr. Jannoni, chairman, Mrs. Musco and Mr. Bonabello) until the following general meeting of shareholders to be held in 2020.

The Board of Directors remuneration

The Chairman of the Board is paid a fixed annual remuneration equal to 10.000 Euro. The remuneration, is fair given the size and complexity of the Company and it has been approved by the shareholders at the Annual General Meeting of shareholders.

Board of Directors meetings

The Board of Directors meets at least two times a year. Additional meetings are arranged if necessary.

In 2020, four regular Board meetings were held. At the regular Board meetings, NATAM, as AIFM of the SIF, reports on various relevant topics, amongst others, financial and operational risks, investment compliance monitoring, valuation issues, marketing and sales activities, anti-money laundering matters and regulatory update.

Board of Directors' report (continued)

Annual General Meeting

The Annual General Meeting of the shareholders (AGM) was been postponed for 15 days respect to the date foresees in the Article (third Wednesday of April), according to the art. 1 (3) of the Gran Ducal Regulation, dated 20th March 2020, issued in relation to the exceptional circumstances due to "COVID 19 crisis". In fact the crisis has slowed down the work of a series of service providers involved in the accounts audit process (questions & answers), with the consequence of delays in relevant tasks usually finalized in a shorter time.

The Annual General Meeting of shareholders, was held on 30th April 2020 in Luxembourg. During the meeting, the shareholders i. have approved the management report of the Board of Directors and the report of the auditor for the financial year ended as per 31 December 2019; ii) have approved the audited statements of assets and liabilities and the statement of operations for the financial year ended as per 31 December 2019; iii) have approved the allocation of the net results for the financial year ended as per 31 December 2019; iv) have ratified the decision taken by the Board of Directors until the AGM of 2020 and granted full discharge to the members of the Board of Directors with respect to their performance of duties for all or part of the financial year ended as per 31 December 2019; v) have re-elected the directors and set their remuneration, as above mentioned; vi) have re-elect the auditor, PricewaterhouseCoopers, to serve for the financial year 2020.

2. SIGNIFICANT EVENTS OCCURRED AFTER THE FINANCIAL YEAR

Since the beginning of the 2020, financial markets have experienced and may continue to experience significant volatility resulting from the spread of the new virus known as COVID-19. The outbreak of COVID19 has resulted in border restrictions, lower consumer demand and general uncertainty about the global economy. Despite that, the Company put in place through the activity of NATAM and its delegates, all the appropriate measure to ensure the business continuity and the mitigation of the operational risk.

3. SUB FUNDS

NEW MILLENNIUM SIF-SICAV - Total Flex Fund (Banca Finnat Euramerica S.p.A.)

The sub-fund recorded a negative performance of -0.33%.

The sub-fund invests in European government bonds and corporate bonds almost in equal part. Regarding the government component, during the year, the exposure was mainly on periphery countries like Spain and Italy; while on the corporate side, it has been given preference to bonds issued by financial institutions (such as Goldman Sachs) and utility and automotive (SNAM and RCI). At the closing of the year the sub-fund had a temporary cash position for 15%.

Average commitment (UCITS approach) 0%.

NEW MILLENNIUM SIF-SICAV – AIM SISTEMA Italia PIR (Banca Finnat Euramerica S.p.A.)

During past year the sub-fund recorded an absolute positive performance of 4.02% (Class I) while the benchmark recorded an absolute negative performance of -2.48%. Throughout the year the contribution of the "quality model component" of the portfolio (with an average weight of around 25%) generated extra performance relative to the benchmark. The average equity exposure was 95%.

Average commitment (UCITS approach) 6.34%.

NEW MILLENNIUM SIF-SICAV – Flexible Credit Opportunities December 2020 (AZ Swiss & Partners S.A.)

The sub-fund closes the year with the NAV at EUR 107.33 and an absolute total return performance of 0.04%. During the first months of the year, especially from the end of February, the spread of the new Coronavirus led to a violent sell-off on the equity and credit markets. Credit spreads showed material increases, iTraxx Crossover went from 300 to 700 basis points, causing heavy reductions in the prices of corporate bonds (especially in the high yield segment), hitting the performance of the sub fund. At the same time there was a shift in the yields of the sovereign curves of the peripheral European countries. The corporate component relating to these countries further penalized the performance of the period.

Board of Directors' report (continued)

Starting from April, the extremely expansive monetary policy measures implemented by the FED and the ECB and the gradual stabilization of infections in many countries, led to a rebound in the markets, which concerned in particular the asset classes that corrected the most during the month of March. In this phase, credit spreads have seen a reduction compared to the peaks reached in March, remaining however at values well above the prepandemic ones.

During the month of May, the new proposal by the European Commission to provide non-repayable subsidies financed with common debt (later translated into the Next Generation EU program) opened a way for a possible harmonization of the EU fiscal policy and the strengthening of the European integration process. This has led to a further contraction of credit spreads, particularly in peripheral countries.

During the months of September and October, the sharp increase in infections from Covid-19 in Europe and the imposition of new highly restrictive measures in many countries to contain the epidemic, led to an increase in market volatility.

In the final months of the year, the direct effects of Europe's compaction (Next Generation EU), the imminent approval of Pfizer and Moderna vaccines and the banking M&A activity in progress especially in Italy, contributed to the improvement of the risk of credit of the sub-fund. This trend has rewarded both the strategic asset allocation of the portfolio, which is overweight on the financial sector.

Average commitment (UCITS approach) 3.37%.

Audit report

To the Shareholders of **NEW MILLENNIUM SIF-SICAV**

Our opinion

In our opinion, the accompanying financial statements give a true and fair view of the financial position of NEW MILLENNIUM SIF-SICAV (the "Fund") and of each of its sub-funds as at 31 December 2020, and of the results of their operations and changes in their net assets for the year then ended in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the financial statements.

What we have audited

The Fund's financial statements comprise:

- the combined statement of net assets for the Fund and the statement of net assets for each of the sub-funds as at 31 December 2020:
- the securities portfolio as at 31 December 2020;
- the combined statement of operations and changes in net assets for the Fund and the statement of
 operations and changes in net assets for each of the sub-funds for the year then ended; and
- the notes to the financial statements schedule of derivative instruments and the other notes to the financial statements, which include a summary of significant accounting policies.

Basis for opinion

We conducted our audit in accordance with the Law of 23 July 2016 on the audit profession (Law of 23 July 2016) and with International Standards on Auditing (ISAs) as adopted for Luxembourg by the "Commission de Surveillance du Secteur Financier" (CSSF). Our responsibilities under the Law of 23 July 2016 and ISAs as adopted for Luxembourg by the CSSF are further described in the "Responsibilities of the "Réviseur d'entreprises agréé" for the audit of the financial statements" section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

We are independent of the Fund in accordance with the International Code of Ethics for Professional Accountants, including International Independence Standards, issued by the International Ethics Standards Board for Accountants (IESBA Code) as adopted for Luxembourg by the CSSF together with the ethical requirements that are relevant to our audit of the financial statements. We have fulfilled our other ethical responsibilities under those ethical requirements.

Other information

The Board of Directors of the Fund is responsible for the other information. The other information comprises the information stated in the annual report but does not include the financial statements and our audit report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Board of Directors of the Fund for the financial statements

The Board of Directors of the Fund is responsible for the preparation and fair presentation of the financial statements in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the financial statements, and for such internal control as the Board of Directors of the Fund determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors of the Fund is responsible for assessing the Fund's and each of its sub-funds' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors of the Fund either intends to liquidate the Fund or close any of its sub-funds or to cease operations, or has no realistic alternative but to do so.

Responsibilities of the "Réviseur d'entreprises agréé" for the audit of the financial statements

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an audit report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting
 a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
 involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal
 control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Fund's internal control;

- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors of the Fund;
- conclude on the appropriateness of the Board of Directors of the Fund's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's or any of its sub-funds' ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our audit report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However, future events or conditions may cause the Fund or any of its sub-funds to cease to continue as a going concern;
- evaluate the overall presentation, structure and content of the financial statements, including the
 disclosures, and whether the financial statements represent the underlying transactions and events
 in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
